

# COMPEAT

COMMUNICATING PEATLAND ISSUES

## IUCN UK Peatland Programme announces a competition for the most inspiring Communication of a Peatland Issue.

The competition is being held in the run up to the IUCN UK Conference 'Investing in Peatlands - the Climate Challenge' on 28-29 Sep 2010 in Durham, where shortlisted entries will be displayed. Winners will be announced at the conference by John Vidal, Guardian Environment Correspondent.

**First Prize** is the opportunity to spend a day with the 2020VISION Phototeam documenting a peatland issue.

Top three entries will receive a case of Conference Beer, feature in an exclusive press release and be displayed in the IUCN UK Peatland Programme website.

**Deadline for submissions: 1 September 2010**

For more information and to submit your entry, visit:
